## CENTURY UNIVERSITY Official Ring Collection

A Tradition of Excellence

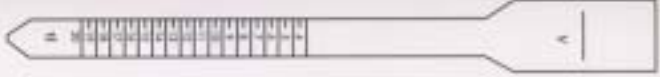

# CENTURY UNIVERSITY

## CONGRATULATIONS!

The wearing of the official Century University ring is an important symbol of the lasting bond between the university and its students. The graduates of a university in many ways become its lifelong stewards. Universities have to be revitalized by each succeeding generation. The university is like a flower that must be loved and carefully cared for if it is to fully bloom. Each generation in its turn gives it life and makes sure that it has the resources to pass on to the next generation the opportunities to grow and develop which we have all received from it.
